

TURNPIKE
GLOBAL TECHNOLOGIES

Riccelli Enterprises, Inc.

(Syracuse, New York)

Riccelli Enterprises outfits their entire fleet with Turnpike Global Technologies RouteTracker™ product and services.

“After researching the entire GPS market available today, I believe that Turnpike’s RouteTracker™ is hands down the most beneficial for any trucking company. We have seen driver productivity increase dramatically throughout our 250 power units.”

- Rich Riccelli, President Riccelli Enterprises Inc.
